<p>5 <b>What work do you plan to do to tackle this need?</b> Max 500 words</p>	<p>Consider how you meet the needs of the people you will support and how you will reach them. This is where you explain to RPLC the activity that you are planning to deliver.</p>						
<p>6 <b>How does this build on your existing work?</b> Max 350 words</p>	<p>Tell us what you are already doing, the outcomes of your past work, what you have learned about what works, and how you will build on that during the lifetime of this grant. We want you to tell us about your track record and how you understand what is going well and what needs to be developed further.</p>						
<p>7 <b>Start Date</b></p>	<p>When you want the grant period to start. We know that this may change depending on the date of the grant award.</p>

<p>9 <b>How many people will your project directly support?</b></p> <table border="1" data-bbox="178 1467 774 1637"> <thead> <tr> <th data-bbox="178 1467 335 1592">A: RPLC benefit area</th> <th data-bbox="335 1467 544 1592">B: LB Richmond</th> <th data-bbox="544 1467 774 1592">C: TOTAL (including LB Richmond &amp; outside of the borough)</th> </tr> </thead> <tbody> <tr> <td data-bbox="178 1592 335 1637"></td> <td data-bbox="335 1592 544 1637"></td> <td data-bbox="544 1592 774 1637"></td> </tr> </tbody> </table>	A: RPLC benefit area	B: LB Richmond	C: TOTAL (including LB Richmond & outside of the borough)				<p>Please state the number of people that you forecast your project will directly support.</p> <ul style="list-style-type: none"> <li>- Box A: who are living in the RPLC's benefit area of the following postcodes: TW9, TW10, SW13, SW14.</li> <li>- Box B: who live in LB Richmond, including those in TW9, TW10, SW13, SW14.</li> <li>- Box C: who live in LB Richmond or outside of the borough.</li> </ul> <p>Do not include people you indirectly support or volunteers in this amount. By 'directly support' we mean someone who is directly involved with your activity and benefits from it. Depending on your activity this could be people who participated in your training (e.g., parent and child) or someone that you provided with advice etc. Since they are so closely intertwined</p>
A: RPLC benefit area	B: LB Richmond	C: TOTAL (including LB Richmond & outside of the borough)					

Question	Guidance
	<p>with the activity, people you directly support should be easy to count and describe.</p> <p>Your grant amount is based on the proportion of people directly supported from the RPLC benefit area that this project will assist. For example, if RPLC funding is 20% of the total project cost the number of people that you support from RPLC area should not be less than 20% of the total number of people that you are supporting through this project.</p>
<p>10 <b>Tell us about who you indirectly support?</b> This is an optional question. <i>Max 50 words</i></p>	<p>This question is not mandatory. Only complete this question if you already track people indirectly supported by your activity and would like to share that with us. People you indirectly support are people who are not directly involved with your activity but will still benefit from it. This could be family members of the participants or other members of the community. Do not include volunteers in the people you indirectly support. If you make an assumption about the number of people you directly support let us know what this is, e.g., 2 people indirectly supported for each person directly supported.</p>
<p>11 <b>Where will you deliver? Why have you decided on this area and what is your experience of working there?</b> <i>Max 250 words</i></p>	<p>All proposals must include support for people living in the RPLC benefit area of TW9, TW10, SW13 and SW14 postcodes. It is useful for us to understand the venues you'll use, if activity is online, and how you plan to reach out to people living in the RPLC area if your main location is elsewhere.</p>
<p>12 <b>What outputs do you expect to deliver?</b> Tell us about at least two measurable outputs (activities) you plan to deliver <i>Max 30 words per output</i> Output 1 Output 2</p>	<p>It is helpful to include information about the approximate number of individuals you hope to deliver each output to and the intensity of support (this helps give RPLC a sense of scale).</p>
<p>13 <b>What outcomes do you expect to deliver?</b> Tell us about two outcomes that you hope to see as a result of the outputs being delivered. <i>Max 30 words per outcome</i> Outcome 1 Outcome 2</p>	<p>These links can help you think about how to describe your outcomes.</p> <p>Nesta's Theory of Change toolkit <a href="https://www.nesta.org.uk/toolkit/theory-change/">https://www.nesta.org.uk/toolkit/theory-change/</a> NPC's guide to creating a theory of change <a href="https://www.thinknpc.org/resource-hub/ten-steps/">https://www.thinknpc.org/resource-hub/ten-steps/</a> What Works Centre e.g.: What Works for Wellbeing <a href="https://whatworkswellbeing.org/">https://whatworkswellbeing.org/</a> Centre for Youth</p>
